

Sinch Letter of Authorization

Thank you for selecting Sinch. Text enabling existing telephone allows you to keep your number with your voice provider while adding SMS service capabilities to that number without actually porting the number away from your carrier/service provider.

You are required to submit this form as verification that you would like Sinch to TEXT enable your number(s) and provide message delivery for the number(s) you listed. Upon receipt of this form, we will start the TEXT enabling process. The process typically takes between 24-48 business hours (some exceptions may apply).

Your name and service address on this form must match the name and address exactly as it appears with your carrier/service provider, or your TEXT Numbers request will be rejected.
